Hello #DoveNation!!

I hope you and your families are safe and healthy as we begin to prepare for a new school year! You have all been in our thoughts and we're working extremely hard each day to make Dove Academy the best choice for your scholars. We appreciate you choosing Dove and, as always, we'll do our best for each of our students. This school year is going to be exciting and different--like no other in history.

We thank you all for your dedication and patience as we work to deliver the best education possible during the pandemic and beyond. We're excited to partner with you in your child's education and are asking you to make a choice on how you would like that education to be delivered. The following Google Form will explain Dove Academy's 20-21 Learning Paths to start the school year. We are offering a Virtual or a Face to Face option for all students to start the year. You will be asked to choose one option to begin the school year or long term. Much more information will follow but WE NEED YOUR CHOICE. Complete the Link below (one per family/guardian--all students are listed on one Form) and remind other Dove families you know to complete it, too.

WE NEED TO HEAR FROM ALL OF DOVE NATION'S FAMILIES--PLEASE  
CLICK THE LINK AND COMPLETE
